Objective 3: Promote Tobacco Treatment (Training Objective)

Non-Clinical Outreach:

61 Social Service Agency & Vet Agency Staff Trained through 10 Trainings

89 Individuals Referred to the Maine QuitLink

Sidekicks:

86 Sidekicks Youth Trained through 11 Trainings

17 Sidekicks Adult Advisors Trained through 3 Trainings

Upcoming Opportunities: FMI - CTIMaine.org/Events

Spring 2021 Virtual Training Offering: February 24, 2021

The Tobacco Intervention: Basic Skills Training Join other health professionals in this remote training to learn more about nicotine addiction and how to integrate brief, evidence-based tobacco treatment interventions into current practice. The Basic Skills Training is open to all health professionals, prevention professionals, and community members who are interested in learning more about the burden of tobacco and strategies for intervention and treatment. The training sessions will include: tobacco prevalence, products and burden; ENDS and vaping; motivational interviewing; brief interventions; tobacco treatment medications; and quit planning. Maine Prevention Services: Tobacco Use & Exposure Prevention

AROOSTOOK DISTRICT October-December 2020

DTPPs work across multiple settings to help develop, adopt and implement policies that are supportive of tobacco-free environments and provide trainings that are supportive of a tobacco-free life. DTPPs are expected to maintain capacity to work on all objectives, though the depth and reach varies by the differences in their local service areas.

Policy-type acronyms are defined as the following:

S: School, YSE: Youth Serving Entity, MUNI: Municipality, PP: Public Place, BH: Behavioral Health, HE: Higher Education, MUH: Multi-Unit Housing, H: Hospital, HCS: Healthcare Site, WP: Workplace

Smoke and Tobacco-Free Policies Passed:

MUNI: Town of Wallagrass (550 residents)

PP: Big Rock Mountain (667 reach)

YSE: Elaine's Daycare (7 youth, 2 employees)

YSE: Daigle Daycare (12 youth, 1 employee)

YSE: The Carlton Project (25 youth, 5 employees)

WP: Pelletier's Florist Greenhouse & Garden Center (5 buildings, 10 employees)

Trainings, Presentations and Assessments Completed:

No Community Partners Participated in Trainings, Presentations, Or Retailer Engagement This Quarter.

First Quarter Success Stories:

This quarter, in place of District Tobacco Prevention Partner (DTPP) highlights, CTI is providing a link to the first quarter success stories. These stories highlight the achievements, interventions, and strategies each organization has chosen to feature. Success stories complement the Q1 data points as they move beyond the numbers and connect to the work District Partners are doing within their communities.

To view the Q1 District Partner Success Stories: <https://ctimaine.org/facts/tobacco-reports/>

To receive copies of past Quarterly Tobacco Prevention Infrastructure Reports or Success Stories, please email TobaccoPreventionServices@MaineHealth.org

DTPP Contact: Aroostook County Action Program, Meg Hegemann (mhegemann@acap-me.org/acap-me.org)
