## Upcoming Opportunities: FMI - CTIMaine.org/Events

### Spring 2021 Virtual Training Offering: February 24, 2021

The Tobacco Intervention: Basic Skills Training Join other health professionals in this remote training to learn more about nicotine addiction and how to integrate brief, evidence-based tobacco treatment interventions into current practice. The Basic Skills Training is open to all health professionals, prevention professionals, and community members who are interested in learning more about the burden of tobacco and strategies for intervention and treatment. The training sessions will include: tobacco prevalence, products and burden; ENDS and vaping; motivational interviewing; brief interventions; tobacco treatment medications; and quit planning. To learn more or register-<https://ctimaine.org/events/>

### Webinar: Celebrating One Year of the Maine QuitLink's Expanded Service- March 10, 2021

In March of 2020 the Maine QuitLink launched two new services: the Intensive Behavioral Health Program and Individual Services. Join us as we celebrate our first year with these expanded services! This webinar will provide an overview of each service, why they were launched, as well as potential successes & lessons learned based on utilization during the first 12 months.
