

# Maine Prevention Services: Tobacco Use & Exposure Prevention Statewide Progress Report April-June 2021

The MaineHealth Center for Tobacco Independence supports tobacco use and exposure prevention services at the State- and local-level as part of the Maine Prevention Services initiative. CTI contracts with District Tobacco Prevention Partners (DTPP) in each of Maine's Public Health Districts for local-level implementation of objectives.

## Objective 1: Prevent Tobacco Initiation (Policy Objective)

| Policy Type                    | # of Policies Passed | Reach                              |
|--------------------------------|----------------------|------------------------------------|
| Schools                        | 3                    | 676 Staff & 3,281 Students         |
| Youth Serving Entities         | 11                   | 273 Staff & 7,410 Youth            |
| Municipalities & Public Places | 9                    | 117,209 Residents/Visitors Reached |
| Licensed Retailers             | N/A                  | 26 Retailer Assessments            |

## Objective 2: Reduce Exposure to Secondhand Smoke (Policy Objective)

| Policy Type             | # of Policies Passed | Reach                                   |
|-------------------------|----------------------|---|
| Healthcare Sites        | 3                    | 5,600 Clients Served & 22 Employees     |
| Multi-Unit Housing      | 7                    | 311 Buildings, 775 Units, 2,269 Tenants |
| Workplace               | 25                   | 35 Buildings & 244 Employees            |
| Behavioral Health       | 5                    | 9,879 Clients & 228 Employees           |
| Smoke-Free Homes Pledge | N/A                  | 946 Families                            |

## Objective 3: Promote Tobacco Treatment (Training Objective)

### Non-Clinical Outreach:

**134** Social Service Agency & Vet Agency Staff Trained through **15** Trainings

**17** Individuals Referred to the Maine QuitLink

### Sidekicks:

**143** Sidekicks Youth Trained through **8** Trainings

## Quarterly Updates: FMI - CTIMaine.org

### LGBTQ+ Digital Marketing Strategy Launched

The LGBTQ+ community is disproportionately impacted by tobacco use. To support Maine's LGBTQ+ population in being aware of the Maine QuitLink and feeling supported to quit, CTI launched digital ads on Facebook, Instagram, Grindr and Programmatic Display. In July, the effort will extend to include YouTube and TikTok. [Download the Campaign Toolkit.](#)

### CTI Tobacco Treatment and Prevention Conference

CTI's Tobacco Treatment and Prevention Conference took place on June 7-9, 2021. Over 430 people registered for the 2021 conference with representation from several other states as well as a handful of participants from outside the US. With 4 offerings/day, the conference highlighted innovative practices and research in tobacco treatment and control.

# Maine Prevention Services: Tobacco Use & Exposure Prevention

## MIDCOAST DISTRICT April - June 2021

DTPPs work across multiple settings to help develop, adopt and implement policies that are supportive of tobacco-free environments and provide trainings that are supportive of a tobacco-free life. DTPP are expected to maintain capacity to work on all objectives, though the depth and reach varies by the differences in their local service areas.

Policy-type acronyms are defined as the following:

S: School, YSE: Youth Serving Entity, MUNI: Municipality, PP: Public Place, BH: Behavioral Health, HE: Higher Education, WP: Workplace, MUH: Multi-Unit Housing, H: Hospital, HCS: Healthcare Site

### Smoke and Tobacco-Free Policies Passed:

**S: RSU 13 (1,641 students, 355 employees)**

**YSE: One Community Many Voices (200 youth, 3 employees)**

**WP: Odd Alewives Farm Brewery (5 buildings, 6 employees)**

**WP: Spark Cycling Studio (1 building, 10 employees)**

**WP: A Little Dream (2 buildings, 2 employees)**

**WP: Topsham Veterinary Wellness Center (1 building, 8 employees)**

**WP: Belmont Inn (1 building, 3 employees)**

**WP: Elms of Camden (2 buildings, 3 employees)**

### Trainings, Presentations and Assessments Completed:

**1 Non-Clinical Outreach Training (8 reach)**

**1 Youth Sidekick Training (3 reach)**

**5 Youth ENDS Presentations (87 reach)**

### Third Quarter Success Stories:

In place of District Tobacco Prevention Partner (DTPP) highlights, CTI is providing a link to the third quarter success stories. These stories highlight the achievements, interventions, and strategies each organization has chosen to feature. Success stories complement the Q3 data points as they move beyond the numbers and connect to the work District Partners are doing within their communities.
