161 Sidekick Youth Trained through **13** Trainings

Quarterly Updates: FMI - CTIMaine.org

Treating Tobacco Together: Basic Skills Training 06/07/22: 9:00 am - 11:00 am

Join other health professionals in this remote training to learn more about nicotine addiction and how to integrate brief, evidence-based tobacco treatment interventions into current practice. The Basic Skills Training is open to all health professionals, prevention professionals, and community members who are interested in learning more about the burden of tobacco and strategies for intervention and treatment.

National Conference on Tobacco or health (NCTOH): 06/28-6/30/22-New Orleans, Louisiana

The National Conference on Tobacco or Health (NCTOH) is one of the largest, long-standing gatherings for top United States tobacco control professionals. The convening attracts a diversity of public health professionals committed to best practices and policies to reduce tobacco use—the leading preventable cause of disease and death in the United States.

Maine Prevention Services: Tobacco Use & Exposure Prevention

YORK DISTRICT January - March 2022

DTPPs work across multiple settings to help develop, adopt and implement policies that are supportive of tobacco-free environments and provide trainings that are supportive of a tobacco-free life. DTPP are expected to maintain capacity to work on all objectives, though the depth and reach varies by the differences in their local service areas.

Policy-type acronyms are defined as the following:

S: School, YSE: Youth Serving Entity, MUNI: Municipality, PP: Public Place, BH: Behavioral Health, HE: Higher Education, WP: Workplace, MUH: Multi-Unit Housing, H: Hospital, HCS: Healthcare Site

Smoke and Tobacco-Free Policies Passed:

WP: Sweetcream Dairy (1 building, 10 employees)

WP: Garside's Ice Cream (1 building, 15 employees)

WP: The Bluehouse Coffee (1 building, 10 employees)

BH: Sunrise Counseling Services (100 clients, 5 employees)

BH: J|G Green Thinking (100 clients, 1 employees)

Trainings, Presentations, and Assessments Completed:

6 Licensed Tobacco Retailers Engaged With An Assessment

8 E-Cigarette Youth Presentations (1,022 reach)

2 E-Cigarette Adult Presentations (85 reach)

Second Quarter Success Stories:

CTI is providing a link to the District Tobacco Prevention Partners' second quarter success stories. These stories highlight the achievements, interventions, and strategies each organization has chosen to feature. Success stories complement the Q2 data points as they move beyond the numbers and connect to the work District Partners are doing within their communities.
