41 Individuals Referred to the Maine QuitLink

Sidekicks:

198 Sidekick Youth Trained through **7** Trainings

1 Sidekick Adult Trained

Quarterly Updates: FMI - CTIMaine.org

- Digital Marketing Campaign Launched:** To support ongoing promotion of the [Maine QuitLink](#) and collaboration with the Maine CDC Communications strategies, CTI recently launched a flight of the Quit Your Way Campaign. The digital media advertisements focus on the message that “No matter what your quit journey looks like, the Maine QuitLink has the tools to support you. When you're ready to quit smoking, vaping, or other tobacco use, choose the option that's right for you.”
- FY23 Tobacco Treatment Training & Education Schedule Being Released Soon:** The [Annual Tobacco Treatment and Prevention Conference](#) was hosted virtually during Q4 FY22. The Conference focused on “Evolving Nicotine and Tobacco Products: The Emerging Challenges and How to Move Forward” and features speakers and participants from across Maine and the United States. New Training and Education opportunities for FY23 will be announced soon on [CTIMaine.org/Events](#), please watch the calendar for trainings, webinars, and other professional development opportunities.

Maine Prevention Services: Tobacco Use & Exposure Prevention

CENTRAL DISTRICT April-June 2022

DTPPs work across multiple settings to help develop, adopt and implement policies that are supportive of tobacco-free environments and provide trainings that are supportive of a tobacco-free life. DTPPs are expected to maintain capacity to work on all objectives, though the depth and reach varies by the differences in their local service areas.

Policy-type acronyms are defined as the following:

S: School, YSE: Youth Serving Entity, MUNI: Municipality, PP: Public Place, BH: Behavioral Health, HE: Higher Education, WP: Workplace, MUH: Multi-Unit Housing, H: Hospital, HCS: Healthcare Site

Smoke and Tobacco-Free Policies Passed:

MUNI: Town of Norridgewock (3,249 residents) **WP: Lisa's Legit Burritos (2 buildings, 9 employees)**

Third Quarter Success Stories:

CTI is providing a link to the District Tobacco Prevention Partners' third quarter success stories. These stories highlight the achievements, interventions, and strategies each organization has chosen to feature. Success stories complement the Q3 data points as they move beyond the numbers and connect to the work District Partners are doing within their communities.
