

Maine Prevention Services: Tobacco Use & Exposure Prevention PENQUIS DISTRICT July-September 2022

DTPPs work across multiple settings to help develop, adopt and implement policies that are supportive of tobacco-free environments and provide trainings that are supportive of a tobacco-free life. DTPPs are expected to maintain capacity to work on all objectives, though the depth and reach varies by the differences in their local service areas.

Policy-type acronyms are defined as the following:

S: School, YSE: Youth Serving Entity, MUNI: Municipality, PP: Public Places, BH: Behavioral Health, HE: Higher Education, WP: Workplace MUH: Multi-Unit Housing, H: Hospital, HCS: Healthcare Site

Smoke and Tobacco-Free Policies Passed:

BH: SaVida Health (200 clients, 17 employees)

WP: Together Place Peer Run Recovery Center (1 building, 7 employees)

WP: Save a Life (1 building, 2 employees)

Trainings and Presentations Completed:

No Community Partners Participated in Trainings, Presentations, Or Retailer Engagement This Quarter.

Fourth Quarter Success Stories:

CTI is providing a link to the District Tobacco Prevention Partners' fourth quarter success stories. These stories highlight the achievements, interventions, and strategies each organization has chosen to feature. Success stories complement the Q4 data points as they move beyond the numbers and connect to the work District Partners are doing within their communities.

Quarterly Updates: FMI - CTIMaine.org

- As CTI begins to wrap up its efforts under MPS, the tobacco prevention team has been drafting and compiling one-pagers and data sheets to document the achievements and advances that occurred since 2017. The first of these, one focusing on the veteran's discovery project in 2021 and the other spotlighting the partners who conducted immigrant needs assessments this year are now available through the CTI website.
- Training and Education Opportunities:** The 2022-2023 Tobacco Treatment Training and Education Season has begun. Visit [CTIMaine.org/Events](https://ctimaine.org/Events) for upcoming, trainings webinars, and other professional development opportunities. Upcoming training opportunities include:
 - [Webinar: Tobacco Smoking and Smoking Cessation Treatment for Criminal Justice Population](#) (December 8, 2022)
 - [Treating Tobacco Together: Intensive Skills Training](#) (December 13-16, 2022)
- MaineQuitLink.com Updates:** CTI recently completed revisions to the [MaineQuitLink.com](https://mainequitlink.com). The site acts as a digital hub for the Maine QuitLink services, quitting, and provides a landing page for marketing campaigns, social media content, and print materials. Recently revisions include updating designs and adding a "Currently Enrolled" participant page featuring quit tips, frequently asked questions, and additional resources. Check out the updated site at [MaineQuitLink.com](https://mainequitlink.com).
