

Tobacco Treatment Symposium

Equity In Action: Addressing Tobacco Use in Behavioral Health Settings

May 19, 2026

12:30pm - 5:00pm ET

MaineHealth
Center for Tobacco Independence

Agenda:

12:30pm - 12:40pm: Welcome and Symposium Overview

12:40pm - 1:40pm: Why Tobacco Treatment Matters in Behavioral Health

1:40pm - 2:00pm: Break & Guest Presenter Introduction

2:00pm - 3:15pm: Evidence-Based Tobacco Treatment for Behavioral Health Populations

3:15pm - 3:25pm: Break

3:25pm - 4:45pm: Clinical Cases & Real-World Application

4:45pm - 5:00pm: Key Takeaways, Next Steps, and Closing Remarks

This symposium will strengthen tobacco treatment efforts through the exploration of evidence-based strategies, interdisciplinary collaboration, and applied skill-building. It emphasizes the importance of addressing tobacco use in behavioral health populations, offers continuing education credits, and serves as the final component of the **Tobacco Treatment Specialist three-step training pathway.**

The MaineHealth Center for Tobacco Independence (CTI) is nationally accredited as a Tobacco Treatment Specialist Certification Program through the Council of Tobacco Treatment Training Programs (CTTTP).

CTI administers this training on behalf of the Maine Center for Disease Control and Prevention (Maine CDC), Maine Department of Health and Human Services.
